

Philips PowerPro Active
Bagless vacuum cleaner
with PowerCyclone 4
Technology

Energy efficiency class B

PowerCyclone 4 technology
TriActive+ nozzle
Parquet

FC9523/19

Full performance

Less energy consumption

The new Philips PowerPro Active delivers full cleaning performance thanks to the PowerCyclone 4 technology and the TriActive+ nozzle, engineered for high dust removal. The dust bucket is easy to empty, with no dust clouds.

Remarkable cleaning results

- Energy efficiency class B
- New 3-in-1 TriActive+ nozzle picks up coarse and fine dust
- PowerCyclone 4 technology separates dust and air in one go

Clean air filter system

- EPA10 filter system with AirSeal for healthy air

Scratch-protection for parquet floors

- Parquet nozzle with soft brush hairs for scratch-protection

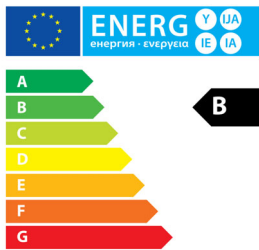

Extreme Convenience

- Advanced dust container design for easy to emptying
- Reach all corners thanks to the extra long ergonomic grip
- Variable power setting

PHILIPS

Highlights

Energy efficiency class B

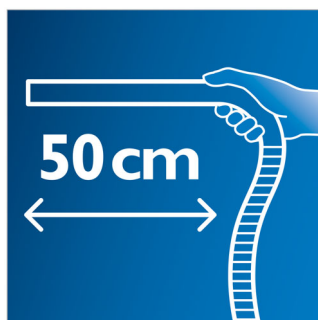

This vacuum cleaner is engineered to achieve full performance with an energy efficiency class B.

EPA10 Clean air system

EPA10 filter and AirSeal capture the finest dust before the air is blown out for a dust-free environment and clean, healthy air.

Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

Parquet nozzle

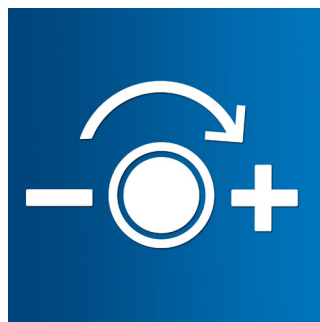

No more risk of scratches thanks to this nozzle with soft brush hairs, especially designed to carefully clean your hard floors.

Easy to empty dust container

The dust container is perfectly designed to dispose dust without creating a dust cloud. Thanks to its unique shape and smooth surface, dust is collected at one side of the container and evenly glides into the dust bin.

Power control

The variable power setting allows you to select the optimal level of suction for the different types of surfaces you vacuum.

TriActive+ nozzle

The TriActive+ nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It sweeps up the dust and dirt alongside furniture and walls with its two side brushes.

PowerCyclone 4 Technology

The PowerCyclone 4 technology delivers best cleaning results in one go through highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber to separate the dust from the air.

Specifications

Performance

- Energy efficiency rating: B
- Annual energy consumption: 33,6 kWh
- Carpet cleaning class: D
- Hard floor cleaning class: E
- Dust re-emission class: C
- Sound power level: 78 dB
- Input power (IEC): 750 W
- Airflow (max): 27,8 l/s
- Vacuum (max): 16,8 kPa

Design

- Color: Titanium

Filtration

- Dust capacity: 1.6 l
- Exhaust filter: EPA 10 filter
- Motor filter: Microfilter

Usability

- Action radius: 9 m

- Cord length: 6 m
- Power control: Electronic on appliance
- Tube type: Metal 2-piece telescopic tube
- Tube coupling: Conical
- Wheel type: Plastic
- Carrying handle: Top and front

Nozzles and accessories

- Standard nozzle: TriActive+ nozzle
- Additional nozzle: Parquet nozzle
- Accessories: Crevice tool, Small nozzle
- Accessory storage: On tubeclip

Weight and dimensions

- Weight of product: 6 kg
- Dimensions of product (LxWxH): 473 x 304 x 301 mm

Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper
